2018 VINTAGE

A winemaker's dream vintage. Consistent growing conditions and cooler temperatures allowed the grapes to slowly mature in 2018. Harvest across Napa Valley was generous with above average yields & high-quality fruit. In Diamond Mountain District, this immensely successful harvest gifted us the best Cabernet Sauvignon grapes we could wish for.

VINEYARD (CALIFORNIA CERTIFIED ORGANIC FARMING)

Our Diamond Mountain District vineyard is one of the first hillside vineyards planted in Napa Valley in 1860's. At 1000 feet of elevation, the vineyard is surrounded by dense coniferous forests. The vines here ripe late, and yield less than 2 tons per acre, of richly concentrated Cabernet Sauvignon grapes.

TASTING NOTES

Dark on the nose with aromas of cola, hot cocoa, espresso beans and cedar.

On the palate, this Diamond Cab is distinctive, rich and full body, without being weighty.

Chocolate truffle, mocha, cola, mulberry and black cherries form the core, with spicy notes of dried herbs and cedar that linger into what may seem like, an eternal finish.

Drink it now or cellar it forever.
